**5. Description of the efforts**

**undertaken during the year to**

**reduce the volume and toxicity**

**of waste generated:**

Toxicity of wastes exported remained the same as previous years.

6. Description of the changes  
in volume and toxicity of waste  
actually achieved during the year  
in comparison to previous years:

The volume of waste generated at Purecoat North is dependent on  
production needs. In 2014, four of the wastes exported went down in  
volume and two went up slightly in volume, compared to the previous  
year.

7. Certification: I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
